Sign ups: June 4th from 4 - 7pm in the MRAC lobby

Session Dates: June 21st - July 1st

Session II

Sign ups: June 25th from 4 - 7pm in the MRAC lobby

Session Dates: July 5th - 15th

Session III

Sign ups: July 9th from 4 - 7pm in the MRAC lobby

Session Dates: July 26th - August 5th

Sign-ups

- 1) One day sign up table at the MRAC lobby for each session.
- 2) Payment is due at time of registration.
- 3) No refunds after 1st class – unless approved by the MRAC (death in the family, child injury, covid, etc.)
- 4) Sign up for next session is the 1st Friday of current session. No pre – sign ups. Must sign up and pay for a full session, no half session prices available.
- 5) If you sign up by phone, it must be paid for by the next day. Participants are not registered until payment is made.
- 6) In person sign-ups will be prioritized.
- 7) Students will be placed in correct levels at the discretion of the swimming lesson coordinators. All students will be tested on the first day of each session and will be placed in their appropriate level according to skill level and age. They will also advance accordingly.
- 8) Preschoolers are NOT allowed to be in a regular 45-minute class unless their size, mental acuity or skill level far exceeds that of a regular preschool student (determined by the swimming lessons coordinators). It has been determined that because of their size, attention span and body composition that they should not stay in the water longer than 25 minutes.

Parents/Guardians

- 1) Must bring students on time and ready to go (please do not bring them if they will be 10 or more minutes late).
- 2) Please do not bring students if they are sick.
- 3) Long hair (girls and boys) must be pulled back and secured (pony tail, barrettes, bun, etc).
- 4) No floatation devices are allowed during lessons either built into swimsuits or applied like water wings or vests. Students must be able to submerge and float independently.
- 5) No goggles or face masks are allowed during lessons (unless the teacher requests them). We teach water safety and it is imperative that the students can orient themselves in the water without eye coverings. If your student suffers from dry, itchy eyes please use Vaseline on and around the eyes prior to getting in the water.
- 6) No gum is allowed and please do not feed students right before lessons as it can cause digestive problems.
- 7) Students must be potty trained (except parent and tot classes) and cannot wear a diaper to lessons. Please take your student to the restroom prior to joining class.
- 8) Parents or guardians must pick up students on time. We can't babysit them due to our class schedule and our student's safety is important to us.
- 9) Parents/Guardians must stay in designated areas and not interfere with class instruction. They are not allowed in the water with students or by the edge of the pool and are not allowed to let other children that are accompanying them into the water. This is not open swim time and only the students and instructors may be in the water during lessons. In order for us to teach effectively we need to have the student's full attention.
- 10) If a parent/guardian has any questions or concerns about classes, instructors, or level placement, they may speak with the swimming lessons coordinators at any time before or after lessons are over for the day.

*** Our goal is to teach every child in our classes the lifesaving skills necessary for living in an area like ours: surrounded by water.**
